## ***Who Should Attend***

Orthopedic Technologists, Medical Assts, Rad Techs, LPN's, Athletic Trainers, CO's, COF's and others who work in the field of Orthopedic Technology and have an interest in casting and bracing.

## ***CE Hours***

Up to a total of **14 hours** of CE will be awarded to attendees who complete the live program

## ***ROT Exam***

The workshop and exam can be used to meet the new requirements of CMS Stage II.

## ***Curriculum***

### ***Saturday***

Basic class for new and intermediate casters. Review of patient casting safety and cast room tools and equipment. Upper extremity casting to include "gumby" short & long arm, thumb spica, new boxer fracture technique. Molding and removal techniques.

### ***Saturday***

Lower extremity casting to include short leg casting and long leg techniques. Flip casting stand and additional supervised practice time.

## **The ROT, Registered Orthopedic Technologist Program**

Completing the new ASOP Online Registered Orthopedic Technologist Exam and having one-year experience working under the direction of an orthopedic surgeon makes the ASOP ROT certification the most accessible for allied professionals seeking to be certified for their orthopedic knowledge and skills. No travel or expensive testing fees are required. The exam is free to all ASOP members. A two hundred-page online study guide is available to all new ASOP members to help them prepare for the exam. The new practical portion of the exam may be completed at the workshop.

All workshop attendees receive a free six month membership in ASOP.

## *Tuition*

\$550.00

\$595.00 if paid after Sept. 14th

Includes ROT exam

*Private Courses Available  
For 12 or more attendees*
