Who Should Attend

ATC's, PA's, Orthotists, Fitters, Orthopedic Technologists, Medical Assts, Rad Techs, RN's, LPN's, Athletic Trainers and others who work in the field of Orthopedic Technology and have an interest in casting and bracing.

CE Hours

Up to a total of 14 hours of CE will be awarded to attendees who complete the entire program. Pre-approved for AT, RN, LPN, RT, PA, COF, CO, MA, etc

ROT Exam

The workshop can be used to meet the new practical requirement section of the **Registered Orthopedic Technologist Exam**

Saturday

Basic class for new and intermediate casters. Review of patient casting safety and cast room tools and equipment. Upper extremity casting to include "gumby" short & long arm, thumb spica, new adjustable cast volume technique for swelling, boxer fracture technique & extremity fracture bracing. Molding and removal techniques.

Sunday

Lower extremity casting to include short leg casting and long leg techniques. Flip casting stand and additional supervised practice time.

The ROT, Registered Orthopedic Technologist Program

Completing the new ASOP Online Registered Orthopedic Technologist Exam and having one-year experience working under the direction of an orthopedic

surgeon makes the ASOP ROT certification the most accessible for allied professionals seeking to be certified for their orthopedic knowledge and skills. No travel or expensive testing fees are required. The exam is free to all ASOP members. A two hundred-page online study guide is available to all new ASOP members to help them prepare for the exam. The new practical portion of the exam may be completed at the workshop.

Tuition

\$550.00

\$595.00 If paid After Feb. 10th

Private Courses Available
