

Hello Practice Manager,

Thank you for your interest in ASOP Casting Workshops. If you have 10 or more attendees, we can hold a private casting workshop at your location. Our rate for your ASOP 2 day on-site private workshop is \$575.00/attendee. This can be less than travel costs to most conferences.

Upper extremity is covered the first day and lower extremity is covered the second day. All students receive the online 200 page Orthopedic study guide, the online Manual of Fracture Casting and Bracing and the 365 page online manual of Casting, Splinting and Traction. In a private workshop we can adjust the curriculum to better fit your needs. All students receive a one year membership in ASOP and the right to take the Registered Orthopedic Technologist, ROT exam at no-charge. ATC's and AT students can take the OPE, Orthopedic Physician Extender exam. See opecertification.org.

The workshop is approved for continuing education for up to 14 hours of CE for PA's, MA's, AT's, RN's, LPN's, NP's, RT's, etc. ATC's will receive up to an additional 33 hours of CE for completing the OPE exam and the BOC approved distance learning modules.

We pay all our own travel costs to include air, car & hotel. We provide all consumable supplies to include cast tape, stockinet and padding. You provide the teaching area, cast cutters, buckets, gloves and lunch. There may be surcharge for additional travel costs for remote areas.
