

Hello Practice Manager,

Thank you for your interest in ASOP Casting Workshops. If you have 6 or more attendees, we can hold a one day private casting workshop at your location. Our rate for your ASOP 1 day on-site private workshop is \$375.00/attendee.

All students receive the online 200 page Orthopedic study guide, the online Manual of Fracture Casting and Bracing and the 365 page online manual of Casting, Splinting and Traction. In a private workshop we can adjust the curriculum to better fit your needs. All students receive a one year membership in ASOP and the right to take the Registered Orthopedic Technologist, ROT exam at no-charge. ATC's and AT students can take the OPE, Orthopedic Physician Extender exam. See NBCOS.org for info on the OPE.

The workshop is approved for continuing education for up to 7 hours of CE for PA's, MA's, AT's, RN's, LPN's, NP's, RT's, etc. ATC's will receive up to an additional 43 hours of CE for completing the OPE exam and the BOC approved distance learning modules.

The practice pays travel costs to include Hotel and Fuel. The practice provides all consumable supplies to include cast tape, stockinet and padding. You provide parking for our instructor, the teaching area, cast cutters, gloves and lunch.
