

Hello Practice Manager,

Thank you for your interest in ASOP Casting Workshops. If you have 6 or more attendees, we can hold a one day private casting workshop at your location. Our rate for your on-site private workshop is \$375.00/attendee. This can be less than travel costs to most conferences.

All students receive the online 200 page Orthopedic study guide, the online Manual of Fracture Casting and Bracing and the 365 page online manual of Casting, Splinting and Traction. In a private workshop we can adjust the curriculum to better fit your needs. All students receive a one year membership in ASOP and the right to take the **Registered Orthopedic Technologist, ROT** exam at no-charge. ATs and AT students can take the **OPE, Orthopedic Physician Extender** exam. See **NBCOS.org**.

The workshop is approved for continuing education for up to 7 hours of CE for PA's, MA's, AT's, RN's, LPN's, NP's, RT's, etc. ATs will receive up to an additional 50 hours of approved CE for completing the OPE exam and the approved distance learning modules.

The practice provides all consumable supplies to include cast tape, stockinet and padding. The practice provides the teaching area, cast cutters, buckets, gloves and instructor lunch. There may be a surcharge for additional travel costs to include hotel charges and driving mileage. Airline flights are also charged when necessary.
